

INTRODUCING

THE PRIDE BUILDING BLOCK PROJECT A NEW WAY TO SUPPORT BANGOR PRIDE

The Pride Building Block Project allows **anyone** to show their support for Bangor Pride and the LGBTQIA+ community!

HOW WILL IT WORK?

Participants will receive a white building block to decorate, paint, or brand *before* the **Bangor Pride Parade & Festival** on June 22nd.

During the Festival, these blocks will be creatively assembled into a visual display at West Market Square, to showcase the collective effort of everyone who helped make Pride happen!

HOW CAN I JOIN?

To participate in the program, please donate directly by check, Paypal or Venmo. Please specify **“Bangor Pride Building Block”** in your donation.

For more information, please reach out to Orion, Pride Organizer, at orion@mainehealthequity.org

Bangor Pride is not possible without support from our community.
